**The title for the event is:**

## **UNACCEPTABLE RISK, OR CERTAIN DEATH? YOU DECIDE!**

**Dr. Dick van Steenis**

**provide People Against Incineration (PAIN)  
with the stark warning:**

**IF THE PROPOSED RUFFORD  
INCINERATOR GOES AHEAD,  
PEOPLE IN NOTTINGHAMSHIRE  
AND NORTH DERBYSHIRE WILL DIE !!!**

**This talk applies to ALL new proposed incinerators  
throughout the UK therefore appertains  
to the whole of the UK.**

**In the talk the following alarming facts plus others  
will be disclosed.**

- Your health can be put at risk for 3 days just from an hour's exposure if the wind blows the PM2.5s your way.
- When you inhale PM2.5 particulates the soluble fraction gets into the bloodstream and your cells, while the insoluble fraction is partly dealt with by macrophages and T-lymphocytes with the remnants walled off in the lungs causing Chronic

- Obstructive Pulmonary Disease (COPD).
- DNA mutation will occur due to heavy metals.
  - Birth defects, cancers and altered genes.
  - Asthma, COPD, viral & bacterial respiratory & other infections (especially boys).
  - Coronary heart disease, heart attacks, strokes, arteriosclerosis, SADS (Sudden Adult Death).
  - Diabetes type 2, (sometimes type 1).
  - Endometriosis & other hormone disruption.
  - Multiple chemical sensitivity with allergies & arthritis.
  - Clinical depression & suicides, apathy, which increases the obesity problem.
  - CANCERS—nonHodgkins lymphoma, brain, colon, lung, prostate, kidney, liver & breast.

We feel that your attendance is required to broadcast the real dangers of the governments proposed UK incineration plan.
